TRADING CARD TREATS™

TRAFFIC SAFETY

Spider-Man makes a great crossing guard, but he can't be around to help out all the time, so he wants to remind everyone how important traffic safety is. "Cross the streets only at green lights and at designated crosswalks," says Spidey. "After all, not everyone can swing on a web over moving traffic like I do!"

TRADING CARD TREATS™

When Dr. Bruce Banner was accidentally bombarded by radiation from a gamma bomb, his life was forever changed! Since then, whenever he becomes angered, he instantaneously transforms into a raging, rampaging monster--the Incredible Hulk! Using his stupendous strength to strike out against a society that shuns him, the emerald behemoth wanders the globe seeking peace, while his alter-ego searches in vain for a cure to his brutish condition!

Did you know: When making one of his giant-sized jumps, the Hulk always looks before he leaps--to avoid crashing into any low-flying aircraft!

TRADING CARD
TREATS™

Whenever innocent blood is spilled, young Dan Ketch is magically transformed into the living spirit of vengeance--Ghost Rider! Riding forth on his enchanted motorcycle, the skull-faced cyclist uses his superhuman strength and his mystic chain to defend the innocent and punish the guilty. But by far Ghost Rider's most terrifying weapon in his holy war against injustice is his penance stare, which makes criminals feel all the agonies they have ever inflicted upon their victims!

Did you know: While Ghost Rider's fire is only a danger to evildoers, real fire can be a danger to everyone when not used properly!

CAPTAIN AMERICA®
National SAFE KIDS Campaign

TRADING CARD TREATS™

During the dark days of World War II, frail Steve Rogers was chosen by the U.S. Government to participate in an experiment designed to create the ultimate fighting man. He was injected with the top-secret Super Soldier formula, which endowed him with the strength, speed and stamina of a world-class athlete. Now, clad in the colors of the country he loves, and carrying his invincible red, white and blue shield, Rogers fights for the cause of freedom and democracy as the star-spangled sentinel of liberty called Captain America!

Did you know: Captain America always wears his helmet while cruising the highways of America on his specially customized motorcycle.

WOLVERINE™

National SAFE KIDS Campaign

TRADING CARD TREATS™

The history of the savage mutant named Logan is shrouded in mystery. What is known, however, is that in his identity as Wolverine he uses his formidable combat skills, super-acute senses and his razor-sharp, unbreakable adamantium claws to fight for justice. And Wolverine has a secret edge over the foes he fights--a mutant healing factor that allows him to quickly recover from even the most serious wounds!

Did you know: More than most heroes, the razor-clawed Wolverine understands how careful one must be while handling sharp objects!

TRADING CARD
TREATS™

A blood transfusion from her cousin the Incredible Hulk gave lawyer Jennifer Walters all the strength and power of the green-skinned goliath. Now, as the sensational She-Hulk, she uses her might to defeat all sorts of criminals, creatures and would-be conquerors. Content with her new life as a super hero, She-Hulk is dedicated to making the world a better place in which to live--and to having a good time along the way!

Did you know: While driving her flying chartreuse convertible, She-Hulk must yield the right of way to passing pigeons as well as pedestrians.
